Washington, DC.

FROM: The Secretary's Security Review Group S/SRG
Ambassador William A. Brown *William A. Brown*

SUBJECT: Review of Moscow and Leningrad Security

Secretary Shultz has asked me to analyze the situation which developed at American Embassy Moscow and American Consulate General Leningrad, and to make recommendations on strengthening our security management procedures in order to prevent a recurrence. In order to fulfill this mandate, I would appreciate your views, by April 22, on the following questions:

25X1

4. What suggestions would you make to improve security management and procedures at Moscow and Leningrad? and by extension, other American diplomatic posts around the world?

As you know, the President announced today that former Secretary of Defense Melvin Laird will chair an Assessment Review Panel to examine the full range of issues in this area. In addition, the President has instructed the Chairperson of the President's Foreign Intelligence Advisory Board to examine procedures and practices used in our embassies worldwide to protect American facilities. I would anticipate that any information you furnish me will be supplied to the Panel and to the Board at their request.
